

## **Privacy Policy**

*Effective Date and Last modified: Saturday February 19, 2022*

Senseg is committed to respecting your privacy. This Privacy Policy covers how we collect, use, and treat information that you may provide through our services. By using our services, you are acknowledging that you have read and understood this Privacy Policy and agree to be legally bound by it.

### **Types of Information**

We require certain information including but not limited to your mobile phone number, email, and name to create an account and use our mobile application. This information is voluntarily provided. We may send news, bulletins, marketing materials, or other information to users who have provided contact information.

We automatically receive and record certain information including your IP address, geolocation data, device identification, "Cookie" information, the type of device you're using to access our Services, as well as statistical information concerning your use of our services or the pages on our website visited most frequently. We may use this data to customize content for you that we think you might like, based on your usage patterns.

You may be able to change the preferences on your device to limit your acceptance of cookies, but this may prevent you from taking advantage of some of our features. We do not have advertising partners, but if you click on a link to a third party website or services, a third party may also transmit cookies to you. This Privacy Policy does not cover the use of cookies by any third parties, and we aren't responsible for their privacy policies and practices.

### **Use and Disclosure of Information**

Sensitive identification information such as a passport, address, utility bill, or driver's license data and photos of such documents will be used only for identity verification purposes. We will never share such information with third parties, other users, or any Senseg

employees, to the extent that it is not strictly required in order to validate your account and provide you access to our services.

In general, aside from such sensitive PII, Senseg may use the information we collect however we see fit without limitation (within the bounds of applicable law such as copyright or intellectual property regulations). Such freely usable information may include your name, uploaded profile photo, user-generated content, product feedback, reviews, support threads, and automatically collected information.

We may use or send information to other users or third parties in whole or in part based on the information we collect, including contact information necessary to facilitate transactions on our services such as your username handle, email, and phone number.

If you do not wish to share information with Senseg, other users, or third parties we may communicate information with, including but not limited to social media sites or product review boards, our vendors and providers, etc, then please do not create an account or use our services. Only include information that you are comfortable sharing with third parties.

We may de-identify your personal information so that you are not identified as an individual, and provide that information to our partners, other users, or third parties. We never disclose aggregate usage or de-identified information to a partner (or allow a partner to collect such information) in a manner that would identify you as an individual person.

### **Security and Information Removal**

We act in good faith to respect user privacy, and take timely action to modify or delete information as users request, in accordance with applicable law. Please contact us via email at [privacy@senseg.net](mailto:privacy@senseg.net) to request any edits or deletions of the information you've provided to us. We will respond as soon as we can.

Unless such a request is received, data will persist on our servers and databases. If you request deletion of your information, you will not be able to utilize associated features of our services. You may not remove de-identified, anonymous, or aggregate data from our databases, and it may be impossible to remove information completely, due to backups and records of deletions.

The services are intended for users aged 18 and older. We do not allow individuals who we know are under 13 to participate in our services.

We have put in place security systems designed to prevent unauthorized access to or disclosure of information, and we take reasonable steps to secure and safeguard this information. This provision should not be construed in any way as giving business, legal, or other advice, or warranting as fail proof, the security of information provided by or submitted to Senseg. We cannot provide, and disclaim, assurance that the information you provide us will remain free from loss, misuse, or alteration by third parties who, despite our best efforts, obtain unauthorized access.

### **Housekeeping**

From time to time, Senseg may change its privacy policy. If we make any changes regarding disclosure of information to third parties, we will alert you by placing a notice on our website, <https://senseg.net>, by sending you an email, and/or by some other means. If you use the services in any way after a change of the Privacy Policy is effective, your use signifies that you agree to all of the changes.

This Privacy Policy must be read in conjunction with our Terms of Use. The provisions of our Terms of Use are incorporated herein. To the extent the Terms of Use conflict with the terms of this Privacy Policy, the terms of this Privacy Policy will control.

If you have any questions, please contact us at: [privacy@senseg.net](mailto:privacy@senseg.net).
